Book Descriptions:

Confetti cannon manual

It is a rapidly growing brand being exported to the USA and European countries. We have a hard working and passionate team and our team is dedicated to provide highest quality party. Our Lucky Dip Manual 80cm Confetti Cannons contain an unknown confetti or streamer filling. When shot out of our powerful pressurised cannon, you will encounter a Lucky Dip surprise. The filling of these cannons cannot be predetermined. All confetti and streamers contained are flameproof and ecofriendly. We do not store credit card details nor have access to your credit card information. If 14 days have gone by since your purchase, unfortunately we can't offer you a refund or exchange. To be eligible for a return, your item must be unused and in the same condition that you received it. It must also be in the original packaging. Several types of goods are exempt from being returned. Any custom item or confetti packages. Additional nonreturnable items Gift cards To complete your return, we require a receipt or proof of purchase. Please do not send your purchase back to the manufacturer. There are certain situations where only partial refunds are granted if applicable Any item not in its original condition, is damaged or missing parts for reasons not due to our error Any item that is returned more than 14 days after delivery Refunds if applicable Once your return is received and inspected, we will send you an email to notify you that we have received your returned item. We will also notify you of the approval or rejection of your refund. If you are approved, then your refund will be processed, and a credit will automatically be applied to your credit card or original method of payment, within 21 days. Late or missing refunds if applicable If you haven't received a refund yet, first check your bank account again. Then contact your credit card company, it may take some time before your refund is officially posted. Next contact your bank. <http://therocktoday.com/images/farberware-12-cup-food-processor-manual.xml>

Most orders leave within 24 hours of order confirmation. It includes an air tank with 3 outlets for adapting 3 cannons in order to make 3 shots without reloading. Each of the three cannons is manufactured with an independent adjustable shooting angle that must be oriented at the same time that the other ones. A security valve is incorporated. Remote control module with blocking key for shooting push buttons. So, whatever your confetti needs are, our team are here to help and can offer you great advice on what will best suit your requirements. Call NOW on 01582 723502 or complete the form below to find out more. Our cannons add a great fun effect for any event or occasion and will not leave you disappointed. Our cannons are made for professional use and are now available to everybody, they are powered using a small cylinder of nitrogen and are therefore very powerful. They are one shot only, but can be filled with any type or colour combination of confetti. Our multi colour confetti is biodegradable and flame retardant. Perfect for any event. Our cannons are perfect for this important moment. <http://lumieretvie.com/userfiles/faraway-manual.xml>

High performance cannons for a big announcement! We believe that our confetti cannons are the best available. You don't have to just take our word for that, we sell to the BBC, ITV, advertising agencies, and have loads of repeat customers. An official test report is available on request. However it can take up to 3 working days to dispatch an order. Please call us if you need your cannons urgently, we can often dispatch cannons on day of ordering. This means we only deliver to mainland UK, they are unsuitable for air freight and should not be taken on an aeroplane. In the very unlikely event of a dispute with us Paypal will protect your money and will act as a mediator.
